## THE VAULT – A MEMORABLE SETTING FOR YOUR NEXT EVENT!

The Vault at The Wine Room on Park Avenue – yes, it is a real vault – will add a little something extra to your next Special Event. We offer both a fine wine experience and exquisite catering options for those who are adventurous in palate and spirit. The Vault provides a comfortable setting for a sit down dinner or a cocktail-style reception. Its stone interior gives it the look and feel of an exotic wine chateau.

As unusual and memorable as The Vault may be, our extensive collection of wines, award-winning artisanal and farmstead cheeses and select line of charcuterie platters adds an extra dimension to make your experience with us even more memorable for both you and your guests. Ask us how we can provide outside catering from other award-winning establishments to add even more choices to your menu options.

## OUTSIDE THE VAULT – THE WINE ROOM ON PARK AVENUE!

### BY THE GLASS – OUR ENOMATIC WINE SERVING SYSTEM

Enomatic is a state-of-the-art Wine Serving System designed and manufactured in Italy. It lets wine consumers sample wines in varying amounts according to their own personal tastes. What a great opportunity to explore new and untried varieties and vintners!

Restaurant Cards and VIP Cards that are “charged up” periodically are used in the dispensing machines. Simply insert the card then press a button for the volume of wine you choose. The card then records the sample after each wine is served and adjusts the amount left on the card.

The Wine Room on Park Avenue offers 148 wines by the one ounce pours and 100 wines by the half glass and full glass pours. We change the selection on a monthly basis, always taking great pride in choosing the finest quality wines on the market.

### BUY THE BOTTLE – AN UNSURPASSED WINE SELECTION

The Wine Room on Park Avenue is a premier destination for any wine enthusiast. Yes, you may choose to explore the diverse opportunities the wine world offers by the glass. But when you find a particular wine that intrigues you or, you’re looking for a particularly hard-to-find wine you discovered at some other time and place, The Wine Room is the perfect place to purchase your wine by the bottle. We make it a point to continue to stock the finest wines from all the wine-making regions of the world. Ask our wine professionals on staff if you have a particular wine in mind.

### THE RARE ROOM – A RARE OPPORTUNITY

The Wine Room also features a world-class Rare Room, with more than 600 different types of wine beautifully encased in a large glass vault centrally located on the main floor. Among our selection are the fantastic first growths of the Bordeaux region in France. Also in inventory, we have close to 2000 carefully selected wines from every important wine region, enough to satisfy even the most demanding wine enthusiast.

### YOUR OWN, PRIVATE WINE CELLAR

Think of The Wine Room as your own, private wine cellar, wine bar and wine store all rolled into one. No matter whether you choose to enjoy your wine “by the glass” or “by the bottle.” Or, rent The Vault for an intimate affair or the whole Wine Room for a grander event – we can accommodate most corporate or social events, including wedding receptions from 50 – 75 people for a banquet and up to 150 for a reception.
